Vidant Cancer Care

Vidant Cancer Care is Vidant Health’s system-wide approach to eliminating cancer throughout eastern North Carolina, one patient at a time. Vidant Cancer Care at the Eddie and Jo Allison Smith Tower in Greenville, located on the campus of Vidant Medical Center, serves as the hub of Vidant Cancer Care across the system. The 418,000-square-foot facility features 96 inpatient rooms, 60 infusion areas with a view of outdoor healing gardens and 58 different clinics centered on patient care. An image renewal center provides access to wigs, prosthetics, compression sleeves and garments. A resource center offers additional services to patients and families, including psychotherapy, support groups and complementary therapies.

Greenville, NC

Widey recognized as the thriving cultural, educational, economic and medical hub of eastern North Carolina, Greenville is the 10th largest city in the state with a metropolitan population of nearly 100,000. The Dickinson Avenue Arts District offers a vibrant arts, music, culinary and festival scene in the Uptown Greenville district. Greenville is also home to East Carolina University, the Brody School of Medicine, and Pitt Community College. Excellent affordability, convenient location and natural resources combined with all of the amenities of a metropolitan university town, Greenville is the perfect place to live, work and play!

- Located inland off of the North Carolina coast, Greenville is 45 miles east of interstate 95, just over an hour to Raleigh, a little over an hour to the pristine beaches of the Crystal Coast of NC
• Home to East Carolina University (ECU), a vibrant university with an annual enrollment of more than 24,000 students
• Numerous waterways and the Greenville Greenway System are perfect for boating, kayaking, fishing, hiking and camping
• Mild climate perfect for year-round outdoor activities
• Cost of living below the national average, diverse and affordable housing and excellent educational opportunities, both public and private
• Investment of more than $500 million in downtown Greenville’s revitalization bringing new restaurants, shops, businesses, and residents to the area

About Vidant Health
Vidant Health is a mission-driven, 1,712-bed health system that serves more than 1.4 million people in 29 eastern North Carolina counties. The not-for-profit system is made up of 15,000 employees, 9 hospitals, home health, hospice, wellness centers, and Vidant Medical Group, a multi-specialty physician and provider group with more than 550 providers in more than 100 practice sites in eastern North Carolina. Vidant is affiliated with The Brody School of Medicine at East Carolina University. As a major resource for health services and education, Vidant has a mission to improve the health and well-being of eastern North Carolina.
